LETTER OF REFERRAL FOR SUCELLE ERASMUS

This is to certify that I have known Sucelle since 2010. During these years I came to know her as a young lady with her priorities in place: as a dedicated Born-again Christian, a devoted student, respecting and honoring her superiors.

Sucelle is a person with empathy, integrity and strong moral standards. Because of her passion for people and their well-being she has been involved in various institutions where she could counsel, minister, educate, support and encourage people – irrespective of their race, gender or age.

Sucelle has strong leadership qualities with the ability to lead by example. She shows perseverance to obtain her goals through excellence in ministry, coaching and equine learning.

I can strongly recommend Sucelle Erasmus.

Yours sincerely,

Yvonne Lane
